David J. Good..

On March 9, 1998 emergency workers from Lionville Fire Company and Uwchlan Ambulance Corps were responding to an accident just west of the Downingtown exit of the PA Turnpike. Dave Good was killed and 10 others were injured when a tractor trailer lost control and crashed into the rescue scene. David J. Good made the ultimate sacrifice as a volunteer and for that reason, this race is dedicated in his name. An employee of Uwchlan Township for eight years, he was a volunteer in the Lionville Fire Company for five years when he was killed in the line of duty. David is survived by his wife, Mary Ann, and two sons, Jonathan and Jason.

Charles H. Martin Jr...

In 1965, while attempting to extinguish a burning tree limb, he came in contact with a fallen power line and was electrocuted. A well-known Chester County farmer, Charlie was survived by his wife, Nancy, and three children, Nancy, Charles and Dennis.

Jonathan S. Windle Jr...

In 1966, while helping with the construction of the company's new fire house, he fell from a ladder and suffered a fatal skull fracture. A planning engineer for Boeing Vertol Co., Jonathan was survived by his wife Verda and two children, Russell and Darlene.
