Chair's Report:

Got an email from Doug Cook, the HT Advancement Chairman of the BSA.

He is interested in the saw mill sign for a service or Eagle project. Could someone write a description of the project so we can "formally" ask.

CCHPN dinner: Holly, Charlene, Ruth, Judy, Lou, and Lee are interested.

6/13 is the deadline for rsvp if anyone else is interested. Holly expressed interest in carpooling.

Summer newsletter ideas

Happy Days Farm is in the process of being sold by Audubon to another buyer. I attended a conference call about the building preservation. The only thing that seemed off was that one springhouse was not showing as slated to be preserved. I mentioned that it was our understanding that both springhouses would be preserved, and another person from the county or state agreed that it should be. They will amend that and their full report should be sent to us soon.
