

Uwchlan Township  
ENVIRONMENTAL ADVISORY COUNCIL  
July 21, 2022 7:00pm  
Workshop Meeting Agenda

Business:

1. Meeting Minutes – May 2022 -> *Approved*
2. Chester County Grows event -> *On 8/27/22 at Homegrown National Park. Toni reviewed and confirmed the EAC's planned attendance and gave a brief overview of the event.*
3. Community Day -> *On 8/20/22 from 3-7pm. The EAC table was discussed and would like to have the following: EAC bags, trifolds, borrow stormwater display or rain barrel.*
4. Adobt-A-Highway update -> *Of the options available in Uwchlan Twp, Route 100 from Wawa to Sheree Blvd. was voted and approved by the group. Jim will be planning a fall and spring cleanup evens for this area.*
5. Jones Pond -> *Scott gave the EAC a high-level overview of the pond including history and current status. The following items were discussed amongst the EAC group:*
  - a. *DEP could permit the pond as a GP4 but adding cool water to warm water is not ideal or healthy for living organisms*
  - b. *Susan shared a similar project with the group that she help manage and complete*
  - c. *Stormwater capture area could help with grants*
  - d. *Township working with engineer for potential water sources for the pond*
  - e. *Waiver 14 without improvements*
  - f. *Public comments: an adjacent homeowner believes 2 stormwater inlets along Dowlin Forge Rd are clogged. The resident believes that these inlets feed the pond. Another resident discussed all the animals associated with the pond.*

Reports: (workshop meeting- reports as necessary)

*Heart of Uwchlan -> Expansion and maintenance at the gardens were discussed. Markers will need to be refreshed.*

New News

1. *Fall event briefly discussed. To be called "Monsters, Masks, & Pollinators". Activities may include: bonfire, food truck, candy for kids, and displays. Scott to check with fire marshal regarding fire.*
2. *Reviewed trees at township building. Susan discussed a possible grant opportunity due in September/October.*
